June 2011

PLAYGROUND ENHANCEMENTS

Thanks to a partnership between Hydro One, our Seasonal Campers' Recreation Committee and the Park Management Board, a new Exploration Climber will soon be added to our playground area. With a total foot print size of 34' x 42', this primary climber will provide hours of enjoyment for the thousands of children who visit our park throughout the season. June 20th has been set as an installation date for the climber which is valued at \$23,500

Hydro One funding was realized through a donation from the Hydro One *PowerPlay* Grant Program while the Seasonal Campers' Recreation Committee contribution was made possible through funds raised at the in-park bingos, raffles and fund raising breakfasts.

Thank you to everyone who made this dream a reality!

VOLUNTEERS MAKE A DIFFERENCE!

More than five million Ontarians volunteer each year and contribute more than 800 million annual volunteer hours in helping Ontario grow stronger. They play a significant role in building strong and diverse communities, and are instrumental in the enrichment of their respective communities across the province.

Each year, the Ontario Ministry of Citizenship and Immigration recognizes such volunteers across the province through the presentation of the Ontario Volunteer Service Award. We are very fortunate to have many active volunteers within the park and the community, both past and present. While the Park Management Board would like to refer all of the volunteers for recognition at once, the provincial program only allows for the submission of six people per year. For the 2011 season, the Management Board would like to acknowledge the contributions of Eric Wright, Michaelann Bird, Wayne Garrett, Gerald Philips and Rita Purcell. Youth awards of recognition will be presented to Kaitlin Briggs and Shelby Abrams. Recipients will be receiving an invitation to attend a gala presentation evening in Kingston in late June.

Six additional volunteers will be recognized next year for both their past and current contributions.

Hopefully the monsoons of May are over now and we can look forward to a dry and sunny month ahead. Last month's rains certainly were a challenge to the most seasoned of campers. We can now look forward to planting our flowers and tending our areas in general, hopefully being able to spend some dry time outdoors even if it is between showers.

Our next 'Meet & Greet' session for the seasonal campers will be held on Saturday, June 18th at 9:00 a.m. in the Bradford Pavilion. I hope to be able to visit with many of our campers over coffee and donuts at that time.

Don't forget the Euchre games, bingos, and children's craft days which are scheduled for this month.

Happy Camping!
