May 2011

Welcome to the Summer of 2011!

On behalf of the Management and Staff of the Lower Beverley Lake Park Management Board, I would like to take this opportunity to welcome you back to Delta and we hope that you have a most enjoyable stay with us this summer.

A meet and greet will be held at the Bradford Pavilion on May 21st at 9:00 a.m. with coffee and muffins being served. Come & meet your new seasonal neighbours and renew old acquaintances!

A Directory of Seasonal Sites has been included with this Post.

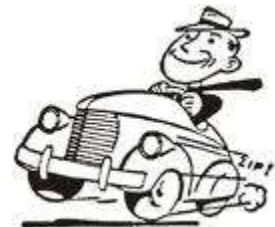

Message Board

Just a quick reminder that a message board has been installed on the outside wall of the gatehouse. This board will be used to display any phone messages received for our seasonal clientele. Unless the message is of extreme importance, staff are unable to hand deliver the message to each site.

Vehicle Parking

Campers are reminded that only one vehicle is permitted to be parked on each site. It is important to keep our roadways clear of additional parked vehicles and trailers. Two blue vehicle passes have been issued to each site holder with this newsletter.

Each pass is valid for one only vehicle. Campers who have more than one vehicle and wish to bring the additional vehicle into the park are reminded that they need to park their second vehicle in a designated parking area. Additional vehicle passes are available from Gate House staff at a cost of \$50.

Medical Emergencies

Through a partnership with the Leeds-Grenville Emergency Medical Services, a **defibrillator** unit remains stationed at the **Gate House**. Park staff members along with some seasonal campers have been trained in the operation of this unit.

In the event you dial 911, please remember that our new civic address is 146 Lower Beverley Lake Park Road

Docking Spaces

Docking spaces have now been marked for our seasonal campers at both docking locations. We request that seasonal campers do not use the creek bank as a docking site. Should you require a dock slip, please ask at the Gate House. A preliminary map has been attached.

Liquid Waste

Maintenance staff has once again scheduled two days for the **collection of liquid waste**. Collection will be available each Monday in Areas A to G and each Thursday in Areas H to J.

Discount coupon booklets are now available at the Gate House for the pumping of liquid waste. While pump out fees are \$19.00 per load, we have printed a booklet of five pump out coupons that are available at a cost of \$80.00 which equates to a savings of \$15.00

Just a reminder that the **discharging of grey water onto the ground is strictly prohibited**. Grey water is defined as water, with any additions that is disposed of on a regular basis and that originates from showers, laundry and kitchen/washroom sinks. Campers must ensure that all septic hoses are attached and secure.

Garbage will continue to be collected daily provided it is stored in clear bags as per municipal policy. Bags are available at the gate house and the recycling bin is located at the maintenance yard. **Recycling** will be collected on Sundays. Items to be recycled need to be placed at the curb by noon. Anyone wishing **leaves** to be collected are reminded that they need to be bagged and placed at the curb as well.

Recycling Program

In an attempt to further promote and support the waste recycling program offered by The Township of Rideau Lakes, a recycling depot will once again be maintained within the park.

Located in the maintenance area, this depot is available to our clientele throughout the season during regular hours of operation. A special recycling pick up will be offered for our seasonal campers on Sunday afternoon provided that the recycling is sorted and bagged accordingly. Paper and cardboard is to be bundled.

We would request your assistance in recycling the following materials.

Bag #1

- **Clear and Coloured Glass**
The following are not recyclable: window panes, mirrors, dishes, light bulbs, ceramics and drinking glasses.
- **Metal containers** – aluminum cans (soup, pop, etc), trays and foil
- **All plastics (#1 to #7)** Turn your plastic container upside down to check the product number. If it is plastic #1 to #7, it is recyclable. All other plastic is garbage.

Bundle

- **Paper/Cardboard** – newspapers and inserts, boxboard (cereal / tissue /etc), magazines, catalogues, household paper.
The following are not recyclable: Waxed or coated.

Bag #2

Regular waste will be picked up daily at the site throughout the season. Clear garbage bags are available at the gatehouse for our clientele at no cost.

Canteen Hours

During the months of May and June, Snack Bar PLUS will be open three days a week:

| | |
|----------|-------------------------|
| Friday | 4:00 p.m. to 8:00 p.m. |
| Saturday | 11:00 a.m. to 8:00 p.m. |
| Sunday | 11:00 a.m. to 4:00 p.m. |

Hours will be extended during the Victoria Day Weekend. Snack Bar Plus will be open seven days a week starting June 24th. A complete menu has been included with this edition of the Park Post

Newspaper Available On-Site

Throughout the camping season, we are pleased to be able to offer a free local newspaper for the enjoyment of our camping clientele. Once again this summer, a distribution box for the **St. Lawrence EMC** will be located at the Gate House. Please feel free to take a copy as they are printed and become available every Thursday.

Our deepest condolences are extended to the families of Seasonal Camper Sherron White upon the passing of her father, Lloyd on March 31st. Lloyd camped with Sherron on Site A-38. Our thoughts and prayers are with Sherron and her family as they go through these difficult times.

Beautification Contest

The Management Board is pleased to once again sponsor a Beautification Contest for those patrons on sites designated as 'seasonal'. The contest will be operated in conjunction with activities sponsored by the *Delta Beautification Committee*.

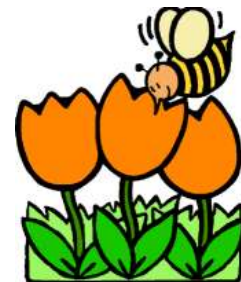

Judges will be touring the park to view all seasonal sites during the week of July 18th with the results being posted at the Gate House on July 21st. The contest will be judged by representatives of the *Delta Beautification Committee*. No registration will be required as a list of all seasonal locations will be provided to the Committee.

The following categories will be available for competition with one prize being awarded per category.

- ✓ Best Overall Appearance
- ✓ Best Use of Colour

Each prize winner will receive a gift package containing the following 2011 coupons which must be redeemed during the current camping season:

- 2 free pump-outs
- 1 bundle of campfire wood
- 1 half day canoe, paddle boat or kayak rental
- Prize certificate from the Village Committee

Events for the Entire Family!

Unless noted otherwise, all events are held at the Bradford Pavilion

Hi Folks;

I hope "Opening Day" finds everyone healthy and feeling good about the upcoming season. It will be great to renew old friendships with past seasonal campers and catch up on all the things that happened over winter, while also initiating new acquaintances with all our new seasonal campers of 2011. As you will find in your registration package, there is a full slate of activities happening throughout the camping season that the Rec Committee has worked so hard in organizing for you. Hopefully you will be able to find the time to take part and enjoy as many of them as possible with your family, friends and fellow campers.

Happy Camping!

Neighbourhood Watch

Neighbourhood Watch is a community based organization that strives to promote the safety and security of all campers and visitors to our park. It is based on a concept of cooperation, and statistics prove that it works. When citizens take positive steps to secure their own property and neighbours learn how to report suspicious activity around their homes, break and enters and related offences decrease dramatically.

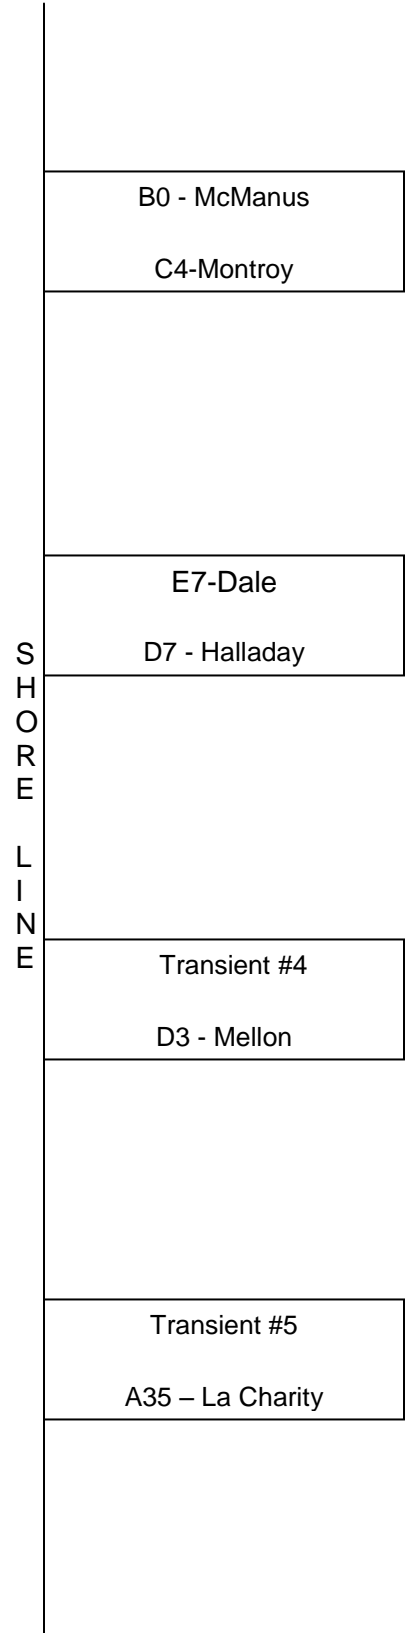

Should anyone be interested in coordinating such a program within the park, please contact Park Manager William Morris.
